MADE BY USING COLLAGEN FROM SANFORD
WITH 130 YEAR TRADITION FROM NEW ZEALAND

How to use

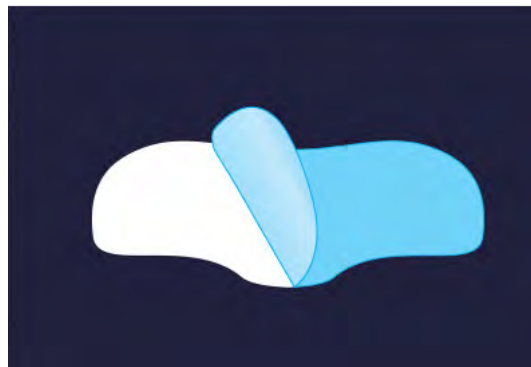

Step 1

Spray Collagen Ampoule Mist on the entire face.

Step 2

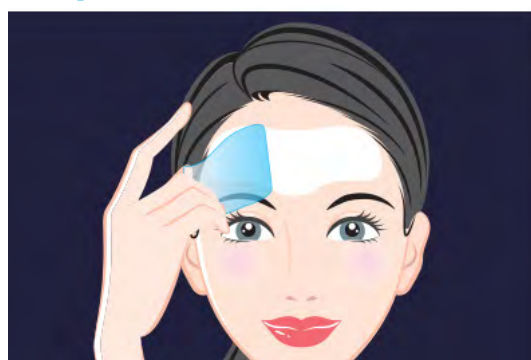

Remove the transparent film attached to the collagen film.

Step 3

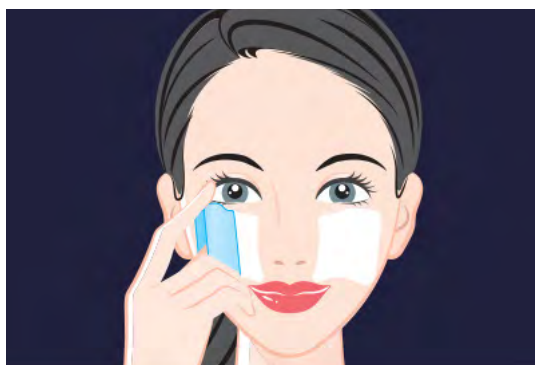

Apply the mask, with the white collagen side towards the face.

Step 4

Remove the blue sheet, leaving the collagen film on the fabric.

Step 5

Remove the blue sheet, leaving the collagen film on the fabric.

Step 6

Spray the Collagen Ampoule Mist to absorb the collagen.
